INTERLOCAL AGREEMENT AMONG THE CITY OF TALLAHASSEE, LEON COUNTY, AND THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF TALLAHASSEE REGARDING THE CREATION AND OPERATIONS OF THE DOWNTOWN DISTRICT COMMUNITY REDEVELOPMENT AREA AND THE EXPANSION OF ANY COMMUNITY REDEVELOPMENT AREA

This Interlocal Agreement ("Agreement") is made and entered into as of this ____ day of _____, 2004, by and between Leon County, Florida, a charter county and political subdivision of the State of Florida (the "County"), the City of Tallahassee, Florida, a municipal corporation created and existing under the laws of the state of Florida (the "City"), and the Community Redevelopment Agency of the City of Tallahassee, a body politic and entity created, existing and operating under Part III of Chapter 163, Florida Statutes (the "Agency").

RECITALS

WHEREAS, under the authority of Part III of Chapter 163, Florida Statutes (the "Act"), the City has previously created the Agency, which has the authority under the Act to plan, coordinate, and cause the redevelopment of areas of the City determined under the Act to be "slum or blighted areas"; and,

WHEREAS, the Agency is currently implementing a "community development plan" for a "community redevelopment area" (as those terms are defined in the Act) known as the "Downtown District Community Redevelopment Area" (the "District"), and the City may, from time to time, seek to declare other additional areas to be "slum" or "blighted" areas and to cause the Agency similarly to implement such "community redevelopment plans" within those "community redevelopment areas" to address the identified conditions of "slum" or "blight" in those areas; and,

WHEREAS, the County is of the belief and position that neither the City, nor the Agency may legally create or designate any new "community redevelopment area", or expand the boundaries of any existing "community redevelopment area" or exercise any powers within a new or expanded "community redevelopment area", without first obtaining from the County the specific delegation of powers enumerated in the Act or otherwise the County's consent thereto; and,

WHEREAS, the City and the Agency are of the belief and position that the City has the power and authority to create and designate any new "community redevelopment area", or expand the boundaries of an existing "Community Redevelopment Area" and exercise those powers enumerated in the Act, within the new "community redevelopment area" without first obtaining from the County any approval, delegation of powers, or consent; and,

WHEREAS, the County and City engaged in the procedures enumerated in the Intergovernmental Conflict Resolution Act, Chapter 164, Florida Statutes, in an effort to resolve their differences concerning the District; however, both parties reached an impasse, and subsequently on March 5, 2004, the County filed a Complaint against the City, challenging the creation of the District; and,

WHEREAS, the parties to this Agreement agree that the conflict between them is better resolved through negotiation and agreement rather than by litigation; and,

WHEREAS, the parties to this Agreement agree that should either party breach this Agreement or should the Agreement be terminated pursuant to Section 10 of the Agreement, that both parties specifically reserve the right to put forth their legal arguments previously articulated, and nothing herein shall be deemed to be a waiver thereof; and

WHEREAS, the parties to this Agreement agree that the establishment of a Community Redevelopment Agency and Tax Increment Financing are effective tools for the redevelopment of slum or blighted areas of the City; and

WHEREAS, the parties to this Agreement agree that it is the intent of both the City and the County that properties acquired by the Agency for the purpose of redeveloping slum or blighted areas of the District, with the exception of those intended to be maintained in public ownership, be placed back on the tax rolls as quickly and as expeditiously as possible and consistent with the approved redevelopment plan; and

WHEREAS, the County, the City and the Agency (hereinafter collectively referred to as the "parties") desire to enter into an Agreement of understanding to delineate their areas of responsibility with respect to the redevelopment of the District and the Agency's obligations and responsibilities to each taxing authority; and

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants and promises hereinafter set forth, the parties do hereby agree as follows:

Section 6. Financial Provisions

- a. Tourist Development Tax. The County agrees to impose an additional one-cent tourist development tax on a County-wide basis, as set forth in Section 125.0104(3)(l)(4), Florida Statutes (2003). The proceeds of one cent of the tax imposed pursuant to Section 125.0104(3)(c) and (d), Florida Statutes (2003) which is required to be remitted to the County Tourist Development Trust Fund, in accordance with Section 125.0104(3)(i), Florida Statutes (2003), shall be dedicated exclusively for the construction of a Performing Arts Center(s) to be located in the Downtown District Community Redevelopment Area. The Performing Arts Center project(s) shall be specifically subject to the review and approval or rejection of the Project Review Committee. Upon the request of the Agency, the County shall authorize, approve, and execute such documents as are necessary to authorize and permit the Agency to issue debt and pledge the above referenced proceeds for the repayment of that debt including the payment of debt service and costs of issuance. Any portion of the Tourist Development Tax not needed for the payment of debt service, construction and/or operational costs for the Performing Arts Center(s), shall at the option of the Agency and upon approval of the Project Review Committee be returned to the Leon County Tourist Development Trust Fund, for use for the purposes thereof.
- b. Gaines Street Reconstruction Project. The County agrees to contribute \$10.7 million, to be derived from its share of sales tax extension revenues as identified in Leon County Ordinance 00-35, to be used exclusively for the Gaines Street Reconstruction project as set forth in Leon County Resolution 00-30, dated June 1, 2000, as amended by Leon County Resolution No. R.03-63, dated September 23, 2003, provided the City contributes a minimum of \$17 million, derived from its share of sales tax extension revenues, to be used for the Gaines Street Reconstruction project, as identified herein, and the east/west pairing reconstruction project associated with the Gaines Street Reconstruction project and associated land acquisition and transportation related improvements in connection therewith. The County shall remit the subject funds to the City not later than 180 days from receipt of written notice from the City that the City funds have been contributed and the County funds are needed for the project. The subject funds shall be deposited into a City Project Work

Order for the project and the responsibility for design, construction and operation of the project shall be strictly that of the City.

- c. Joint Funding of Downtown District Community Redevelopment Area Trust Fund. The County agrees to pay \$15,000,000 and the City agrees to pay \$13,000,000 by September 30, 2005, to the Trust Fund. In no event shall funds from Sales Tax, Municipal Service Taxing Unit or utility service revenues be used to make these contributions. If these payments are made prior to September 30, 2005, then the entity making the payment will be relieved from any future Increment Revenue payments required to be made to the District.

Based on the need for the funding of Projects approved by the Project Review Committee, and other permitted uses of Trust Fund monies, the Agency, shall make written demand on the City and County for payment into the Trust Fund of all or a portion of the outstanding balance owed, which may be due after September 30, 2005. Any such partial payment shall be in the respective percentages of the total obligation set forth above. Such payment shall be made, with accrued interest, within 180 days of Notice by the Agency.

In the event the Agency does not demand payment as described above of the full agreed upon amount prior to September 30, 2005, interest on the outstanding balance will be paid into the Trust Fund on October 1 of each year in which payment is deferred, accruing at 4.50 % or the annual Consumer Price Index ("CPI") rate in effect on October 1 of each year, whichever is greater. "CPI" means the Consumer Price Index for All Urban Consumers (CPI-U) for the U.S. City Average for All Items, 1982-84-100 (unadjusted), as published monthly by the Bureau of Labor Statistics, United States Department of Labor.

Until the principal and all accrued interest, if any, of the agreed amounts are paid (County - \$15,000,000; City - \$13,000,000), the City and the County agree to pay annually the Increment Revenue to the Trust Fund. The Agency will remit to the account designated by the County the increment amount attributed to the EMS Municipal Services Taxing Unit and the Indigent Health Care Municipal Services Taxing Unit collected within the District. Such remittance will be made within ten (10) calendar days of receipt of payment by the Agency. The remaining amount contributed by each entity will be applied to the outstanding balance owed by that entity, including interest owed as described above.

If either the City or the County desire to finance its required contribution or any portion thereof through the issuance of debt secured by Increment Revenue collected within the District, the Agency agrees upon the request of such party to authorize, approve, and execute such documents as are necessary to authorize and permit that Party to issue debt and pledge the

Increment Revenue for the repayment of that debt, including the payment of debt service and cost of issuance.

Once the total amount owed is paid off by either Party, that Party shall be fully relieved of any obligation to remit Increment Revenue to the Agency or District Trust Fund.

- d. Trust funds shall not be used to provide direct lease subsidies within the District. Trust funds shall not be used to provide indirect lease subsidies unless they are specifically approved by the Project Review Committee. A lease subsidy is defined as any payment from the Trust Fund, through the Agency, to either a property owner or a tenant for the express purpose of reducing the tenant's lease costs. The requirement of inclusion of retail or commercial space in a given Project shall not constitute a lease subsidy.
- e. Funds and other assets received by the Agency unrelated to the District or through grants, gifts, donations, or in any other manner accruing to the District, including Increment Revenue contributed by the City in excess of its required obligation under Section 6(c) hereof and Increment Revenue from the Downtown Improvement Authority, except as described below, shall remain the assets and/or funds of the Agency and shall not be in any way subject to the provisions of this Agreement. Funds and other assets received by the Agency from the sale or lease of Projects financed by the Agency within the District shall remain subject to the provisions hereof for the entire Term of this Agreement
- f. In the event of any subsequent refinancing of debt secured by Increment Revenue or Tourist Development Tax revenue issued pursuant to this Agreement, any debt service savings shall accrue to the benefit of the Trust Fund.
- g. As a result of the provisions of this Agreement, subject to the provisions of Section 6(c) hereof, the County is hereby relieved of its obligation under the Act to deposit Increment Revenue or any other funds into the Community Redevelopment Downtown District Trust Fund, and the City and the Agency shall be deemed to have waived their rights under the Act to require the County to make such payments.

Section 7. Records and Reporting. For Projects within the Downtown District Community Redevelopment Area. The Agency shall:

- a. Maintain books, records, documents, and other evidence according to generally accepted governmental accounting principles, procedures and practices, which sufficiently and properly reflect all costs and expenditures of any nature, incurred by the City and/or Agency in connection with the Projects or otherwise paid or to be paid from either Incremental Revenues or the proceeds of increment obligations, or paid from revenues derived from the Tourist Development Tax or revenues otherwise contributed by

the County to the District, and said books, records, documents and other instruments shall be retained by the City and the Agency for a period of three full years after termination of this Agreement. However, notwithstanding the above, construction records, documents, and reports shall be retained by the City and the Agency for a period of five full years after completion of any such Project, unless said records, documents, and reports are required to be maintained pursuant to federal income tax regulations for arbitrage rebate calculation purposes, upon which said records, documents, and reports shall be retained for a period of three years after termination of this Agreement; and

- b. Provide to the Project Review Committee, within 45 days after March 31 and September 30 of each year, a report which shall contain a narrative description of the work completed on any Projects according to the project schedule, a description of any change orders then pending or executed, and a budgetary summary detailing planned expenditures and actual expenditures; and
- c. Provide the County and the City upon completion of construction of any Project with a certification to the County from a professional engineer licensed to practice in the State of Florida, that the improvements have been completed according to the plans and specifications approved for such Project; and

Section 8. Audit.

- a. The County shall have the right from time to time at its sole expense to audit the compliance by the City and the Agency with the terms, conditions, obligations, limitations, restrictions and requirements of this Agreement, and such right shall extend for a period of three (3) years after termination of this Agreement. However, notwithstanding the above, the right to audit from time to time for compliance by the City and the Agency with the terms, conditions, obligations, limitations, restrictions and requirements of this Agreement as it relates to construction of Projects shall extend for a period of five (5) years after the completion of the Projects.

Specific details of the reporting shall be part of the terms and conditions of any amendments to this Agreement.

Section 9. Termination.

- a. If any Party fails to comply with any terms or conditions of this Agreement or default in any of its obligations under this Agreement, and shall fail within thirty (30) calendar days after written notice to the non-compliant party to correct such default or non-compliance, the non-defaulting party, at its option may forthwith terminate this Agreement.
- b. In the event that either the City or the Agency removes or otherwise diminishes any delegated authority under this Agreement, as identified under Section 5, or otherwise defaults in any of its obligations under this Agreement, the County, at its sole option, may forthwith terminate this Agreement, and the City or the Agency, jointly and severally shall be liable to County for all funds paid pursuant to the provisions of this Agreement by the County to the Trust Fund or to any other fund or entity, or otherwise owed or pledged thereto, for the purposes of and retroactive to the effective date of this Agreement. In the event that the County defaults in any of its obligations under this Agreement, the City and Agency shall have all rights and privileges under Chapter 163, Florida Statutes, and the County shall be liable to the Agency for all Increment Revenue otherwise due to the Agency since the date of this Agreement, notwithstanding the limitations set forth in this Agreement.

The mediator shall meet the qualifications set forth in Rule 10.010(c), Florida Rules for Mediators, and shall be selected by the parties within 10 days following receipt of the Mediation Notice.
